To all Members,

Time passes very quickly and the Annual General Meeting forum for 2020 is upon us. Despite a very difficult year Covid 19 wise the Club has maintained its cohesive spirit and set in place opportunity to embrace and improve the challenges and communication of the future, while exploring avenues and activities as we approach our 50th Anniversary.

Apart from hearing what the Club has achieved in the past year, it is also a forum for our membership to elect their representatives for the coming financial year and engage in the inner workings of their organisation. This meeting gives a chance for members to give back to your club by volunteering to participate within the management and enjoy challenges and rewards you never knew existed.
