Whatipu Beach Run

Sunday 29th November 2020

Meet at Remuera Club Car Park at 9.30 am

Leave for Whatipu Beach at 10.00 am

Whatipu is a remote beach on the west coast of the Auckland Region. The Whatipu area has been managed as a scientific reserve by the Auckland Regional Council since 2002. The last part of the road to it is unsealed. Manukau Harbour is south of Whatipu. To the north is Karekare. Whatipu is located at the southern end of the Waitākere Ranges. Shifting sands have substantially changed the beach since the 1940s. Over 6 square kilometres has been added to the beach since then.

Address **Whatipu**

Click on the following link for a map showing the route for the journey of around 90 minutes (if you take time to look around) – about 30 miles:

We will go on a leisurely cruise via Titirangi, Langholm, Parau, Huia to Whatipu and stop around the Whatipu Caves Track (to check out a place to picnic). So, please bring picnic food, drinks, seats, etc.
