

Final reminder

# 17<sup>th</sup> National Model A Ford Rally

23-28<sup>th</sup> February, 2025

Solway Hotel & Showgrounds,  
Masterton, Wairarapa.

8-11-24

Dear Model A Enthusiast,

You made an “Early-bird” Registration so you could get newsletters and information about this Rally, presumably with the intention of attending the Rally. We would love to have you attend the Rally and enjoy the fun and friendship that is so typical of these National events.

However, you have not made final Formal Registration and time is running out to do so. We set a deadline of 10<sup>th</sup> November 2024 to receive Registrations as we have to get all our information collated and off to the printer to get the Rally brochure printed before Christmas. Those people not fully registered by the time we ‘go to print’ won’t have their names as attendees included in the brochure. We were not planning to accept late entries but we may be able to accept late entries for another 1-2 weeks. This will give you time to get your Registration finalized if you were intending to come to the Rally but just forgot about it despite four newsletters being sent out to all ‘Early-birds’.

Registration forms were sent to you on 2-9-24 from [nimaafc.editor@gmail.com](mailto:nimaafc.editor@gmail.com) and the ‘Rego docs’ can be found on the Club website [www.modelafordclub.co.nz](http://www.modelafordclub.co.nz) by looking for the link to the 17<sup>th</sup> Rally. It’s not hard to find. If you are unable to download the documents you can email me for a new set of ‘docs’ to be emailed to you. I’m happy to do this for you. Please return your documents to my email address (below), not to the ‘Editor’ nor to the ‘Treasurer’! Please don’t forget to include your signed ‘Waiver’ form.

If you have changed your mind, or life’s circumstances are such that you are now unable to attend the Rally, please send me a short email to say you are unable to attend. We are sorry for you if you have to abandon your plans to attend the 17<sup>th</sup> National Rally.

Kind regards,

Martin Rees
