

NORTH ISLAND MODEL FORD CLUB INC

TECHNICAL NIGHT

Come along and hear all about the building

of the new

HOBSONVILLE DATA CENTRE

Wednesday 19 August 2026 – 6.30pm

6 Angle Street, Onehunga

Terry's Workshop

Come along and listen to Brendan Site Engineer, talk about the building of the new Hobsonville Data Centre.

Auckland is home to the new hyperscale data centres. These centres are dedicated to ensuring the delivery of national critical infrastructure technology programmes that underpin the security, social and economic wellbeing of all New Zealander's. See you there.

Please bring: Plate of food for supper.

Tea/coffee supplied.

Chair to sit on.

The Way of the Future
